

## Conducting a Voter Registration Drive in Montana

### Voter Registration Deadlines

Applications must be received or postmarked 30 days before any election. "Late registration" is also available and may be completed by an individual in-person at county elections offices through Election Day.

### Getting Started

**Training Requirement:** Montana does not require training for registration drives.

**Notification and Registration Requirements:** Montana does not have notification requirements for registration drives.

**Compensation Restrictions:** Do not pay registration drive participants based on how many registrations they collect.

### Obtaining Applications

**State Form:** The state mail-in voter registration application can be downloaded at the [Secretary of State's website](#) or obtained from a [county elections office](#).

**Federal Form:** The [federal mail-in voter registration application](#) may be used in voter registration drives.

**Photocopying Blank Forms:** Blank applications may be photocopied and used in voter registration drives.

### Handling Applications

**Incomplete Applications:** Do not fill in any missing information on a registration form unless you have permission from the applicant.

**Photocopying Completed Applications:** There is no law or rule prohibiting photocopying or retaining information from completed registration applications. **A voter's date of birth, signature, full or partial Social Security Number, and driver's license number should be removed before copying any application.**

**Submitting Completed Applications:** State voter registration applications must be delivered or mailed to the [county election administrator](#) of the county where the voter resides. Federal voter registration applications must also be delivered or mailed to the county election administrator. They must be submitted by the registration deadline 30 days before Election Day.
